Additional Information

1. **Projects under Implementation (Ongoing):** In the Democratic Republic of Congo, South Sudan, Rwanda, Burundi, Tanzania, Zambia, Angola, Kenya and Ethiopia:
 - a. Civil society organisations — delivery partners of Pandemic Fund projects — may contact Project Leads to contribute to the consultations that the Project Leads will undertake for the reprogramming. Such proposals should align with national response priorities, government-led coordination mechanisms, and the WHO-Africa CDC Continental plan.
 - b. Civil society organisations involved in Pandemic Fund project development, or those providing strong contributions to Bundibugyo virus response efforts, are encouraged to proactively reach out to the relevant partner ministries (e.g. Ministries of Health, Finance or Agriculture) or to the [Implementing Entities](#) involved in the projects.
 - c. Reach out to your contacts with concrete proposals on contributions to responding to the ongoing Ebola outbreak caused by the Bundibugyo virus as well as strengthening longer-term pandemic prevention, preparedness, and response capacities embedded within national and regional systems. To support this, the Pandemic Fund Civil Society Board Members have developed a proposal template in English, French and Portuguese. The template is available [at this link](#).
 - d. Information about the projects can be found [here](#).
 - e. For questions, please contact the Pandemic Fund Secretariat (the_pandemic_fund_results@worldbank.org) or the Pandemic Fund Civil Society Board Members (pandemicfundcsoglobal@gmail.com).

2. **Projects Under Preparation:** In Uganda, the Central African Republic and the Republic of the Congo (regarding proposals being expedited under the 4th Call):
 - a. Presentation deck from the 4th Call for Proposals information session ([English](#), [French](#), [Portuguese](#)).
 - b. Recording of the 4th Call for Proposals information session (including experiences of becoming a Pandemic Fund delivery partner, 28:00 to 46:00 minutes
 - i. [English](#)
 - ii. [French](#)
 - iii. [Portuguese](#)
 - c. Reach out to Country Project Leads with concrete proposals on contributions to responding to the ongoing Ebola outbreak caused by the Bundibugyo virus as well as strengthening longer-term pandemic prevention, preparedness, and response capacities embedded within national and regional systems. To support this, the Pandemic Fund Civil Society Board Members have developed a proposal template in English, French and Portuguese. The template is available [at this link](#).
